LECOM-SH SGA Meeting Minutes

Date: July 31, 2020

Time: 12:00p

- **SAAO:** Lauren submitted requests for remote meetings over Zoom; still planning weekly meetings - addressing didactic but not hands-on, although it was suggested to demonstrate without hands-on palpation by the students
- **SSP:** Cora - Haven't yet met in person, but are looking to continue virtual service projects. Looking for ideas, so please submit ideas if you have them.
- **SOMA:** Andrea - Complete Anatomy subscriptions complimentary; attended virtual conference with other schools to determine virtual grouped events like "Mind the Gap" - different clinical presentations of disease depending on ethnicity; aiming to glean more involvement for resolution drafting; Considering development of program to encourage preliminary engagement for pre-med students
- **Class of 2023:** Three foci; being in school and managing for COVID; organizing for rotations via preferences and coordinating with Erie; looking for potential group licensing for Uworld for boards

Words from Student Affairs

Scavenger hunt for first years would be an easy event to organize for the first years? - really wanted to do this for registration day but it didn't work out this year; organize care packages for mental health support?

Words from our Advisor / For The Good of SGA

"Great job, everyone!" - Dr Andrews

Adjournment at 1:00p
